Re: Relay for Life Sponsorship
Eden's Relay for Life team, **Heroes Helping Heroes**

December is the time of year when I reach out, seeking sponsorships for our Relay for Life team, Heroes Helping Heroes. Words cannot describe what it means to have your sponsorship support for the last five years! Since 2013, you have made a commitment to help our team raise money for American Cancer Society's (ACS) largest worldwide fundraiser. In those five years, our team has raised over \$75,000 and we could not have done it without your continued support!

This year, we had record-breaking referrals to ACS providing over 200 patients with free Personal Health Managers, free rides to appointments, free nutrition & distress booklets, and free make-up kits with our Look Good Feel Better classes.

Because of the lower turnout for Castro Valley, ACS will be combining local Relays creating an 'Eden Area' Relay for our 2018 season! This will include Hayward, San Leandro, San Lorenzo and Castro Valley which will bring a much bigger crowd to the event and help promote your name to more community members and businesses.

We will continue to have our fundraisers (horseraces, A's game, plant sale, Chouinard Winery, etc.) and highly encourage all of you to attend one of the fundraisers. Bring your family out to the A's game and see how much fun we have!

As in previous years, if your \$2,500 sponsorship is received before the end of 2017, in addition to your own banner, you will have a separate ACS Relay banner at the event on June 2, 2018.

Again, we are looking forward to your support of Heroes Helping Heroes at Eden Area Relay for Life 2018!

Happy Holidays!

Dear Michael:

Center for Elders' Independence (CEI) is excited to share two upcoming 2018 milestones that YOU made possible by sponsoring CEI's PACE Party! Because of your ongoing support, **CEI will host the 10th Annual PACE Party on Thursday, May 3, 2018** at the stunning UC Berkeley University Club. And, in part because you helped raise \$140,000 at PACE Party last year, CEI is opening a **new PACE center in San Leandro** that will serve 500 more seniors in Central Alameda County. **THANK YOU!!!**

Will you continue to support hundreds of seniors living independently because of CEI's Program of All-inclusive Care for the Elderly (PACE) by renewing your sponsorship for the 10th Annual PACE Party today?

To celebrate 10 years of PACE Party we've made our sponsorship packages even more attractive to thank Eden Health District for your generous partnership over the years; and we are proud to offer you an opportunity to sponsor PACE Party again. Please complete and mail the attached Sponsorship forms and your donation as soon as possible to let us know you support East Bay seniors!

Since 1982, CEI has provided comprehensive health care and social services for at-risk seniors and respite to family and friends caring for them. We are proud of our longstanding commitment to giving seniors the ability to continue living independently, at home, with the dignity each of us deserves as we age.

Thank you in advance for your support. Together we are changing the face of healthcare for the elderly in our East Bay communities and we can't wait to celebrate with you on May 3rd.

Warm regards,

Subject: Thank you for your gift to Alameda County Community Food Bank!

Dear Barbara,

Thank you for your gift of \$500.00 to Alameda County Community Food Bank.

If your gift was made in honor of or in memory of a friend(s) or family member(s) and you would like to send an eCard, please visit: <https://www.vfd-accfb.org/ecard.aspx>. *(If you are unable to click the link, please copy and paste it into your web browser.)*

Your gift this holiday season is greatly appreciated, especially by the families that will be able to enjoy nourishing meals together.

You provide much-needed relief to the 116,000 people who turn to the Food Bank and our member agencies every month. However, please know that your support provides more than food.

You're helping with basic needs for struggling families so that they don't have to make difficult choices – such as putting food on the table or paying for rent, or medicine. Because of you, families have one less thing to worry about this holiday season.

Thank you for partnering with us as we strive toward a community where every child, adult and senior in Alameda County knows where their next meal is coming from.

Gratefully, Alameda County Community Food Bank
