- Sustainability
- Program Budget
- Budget Narrative
- Additional Funding

Please include one copy of each item listed below with your signed electronic proposal.

NOTE: If you received a grant from the Eden Community Health grant program in the 2023-24 grant cycle you only need to include the three items that are starred.**

- Articles of Incorporation (note: attach any amendments)
- Bylaws
- Most recent financial statements (preferably most recent **audited** financial statements)
- Operating Budget for current year **
- List of Board of Directors **
- This Proposal Checklist **

A. Problem Statement *(Maximum of one single-spaced pages)*

Please describe the problem addressed by your program/project.

B. Program Description *(Maximum of two single-spaced pages)*

Please describe the program you are proposing, and how it addresses the problem described above. Discuss any ways this program connects with or relates to existing services. Refer to items #1 -3 below for further guidance in writing this description.

1. Program Performance

Include information on how program/service is delivered, including:

- Units of service during the term of the grant period
- Total number of days of service during the grant period
- Days and hours of operation
- Number of unduplicated people served
- How participants will obtain services
- Location and accessibility of the site
- How you will generate referrals to the proposed program
- How services will be communicated to potential participants

2. Target Population

Include data to describe your target population including age, gender, ethnicity, special needs, health needs, etc. as related to the proposed program, e.g., “The program will provide services to persons 12 – 18 years of age who are physically challenged.”

3. Service Area

Describe the geographic area served including zip codes and identify the number of District residents you expect to serve with your program/project.

C. Goals *(Maximum of one single-spaced page)*

Clearly state the goals of this program/project.

D. Objectives *(Maximum of one single-spaced page)*

Clearly state your specific and measurable objectives to attain the above goal(s).

E. Intended Outcomes *(Maximum of one single-spaced page)*

Describe the specific measurable outcomes you intend to achieve. All measurable outcomes should relate to the goals, objectives and program activities described in this proposal. Please include the total number of people and/or families you expect to serve. If your program is direct service meals or food provision, how many meals do you expect to serve?

F. Evaluation *(Maximum of one single-spaced page)*

Describe how you plan to measure the effectiveness of your program and track achievement of your intended outcomes.

G. Demographic Data Collection

The District is interested in collecting a range of demographic data about clients served through grant funding. This data includes zip codes, gender, age, ethnicity, and language spoken. Please describe your ability to collect this data. What categories of data do you currently collect and how do you collect it? Please describe your ability to collect any of the data categories listed above that you are not currently collecting.

H. Agency Capability *(Maximum of one single-spaced page)*

Define your organization's mission, vision and goals. Describe your agency's ability to provide the proposed program or service. List and describe cooperative and collaborative links with other organizations that enhance your ability to provide the proposed program or service. Please provide a letter of interest from collaborating agencies, if applicable.

I. Sustainability

Describe whether this program/project will continue beyond the District's grant period and, if so, describe how you intend to fund it.

J. Project Budget

Include a detailed project budget showing all sources of funding and clearly indicate how funds from Eden Health District would be used.

K. Budget Narrative

Provide a narrative of the budget content to support the total funds requested as well as each line item. Specifically include the number of employees and hours budgeted for the program.

L. Additional Funding

If total project budget is larger than the funding you are requesting, do you have additional funding confirmed? If not, how do you plan to raise the funds?

Provide a list of other existing funding sources and other grant requests written for this program. Please specify which sources are existing sources of funding and which are potential sources.

M. Submission of Proposal and Attachments

The District office must receive a signed electronic copy and all required documents by email to badranly@ethd.org on or before **Friday, August 30, 2024, by 12 noon.**

The signed electronic copy of proposal should include the following items.

Please note - If you received funding in the most recent grant cycle you are only required to submit items 3 and 6 below.

1. Articles of Incorporation
2. Bylaws
3. Your organization's annual operating budget for the current year
4. Most recent financial statements (preferably most recent **audited** financial statements)
5. IRS Tax Exemption Letter
6. List of Board of Directors (Include professional and community affiliations. Do not include home addresses.)

Please submit the signed electronic copy of the proposal and all required documents by email to: badranly@ethd.org on or before noon on Friday, August 30, 2024.

Documents become part of the public record of the Eden Health District.
