

**EDEN TOWNSHIP HEALTHCARE DISTRICT
BOARD OF DIRECTORS'
BOARD FUNCTIONS POLICIES**

ETHD 405

SUBJECT: SPONSORSHIPS

POLICY: Through the Eden Health District's sponsorship program, the District will award sponsorships to organizations providing community services and programs emphasizing health and wellness, and consistent with the District's mission, vision and values.

The requirements for Sponsorship are:

- A completed District Sponsorship Application must be received at least thirty (30) days prior to the event which the sponsorship is requested for.
- Sponsorship requests will be a maximum of One Thousand Five Hundred Dollars (\$1,500.00).
- Each fiscal year, which begins July 1st, has a limited budget available for sponsorships. Applicants are encouraged to submit their sponsorship applications as early as possible to ensure that funds are still available.
- Organizations that have received a previous sponsorship or a Community Health Fund Grant in the same fiscal year are ineligible for funding.
- Organizations intending to pass-through sponsorships to another organization are ineligible for funding.
- Sponsorship applicants are highly encouraged to participate in the Eden Health District board meeting when their application is being considered either in person or on Zoom.
- Applications that do not demonstrate direct community health benefits may be denied. Sponsorship of fundraisers will only be considered when Eden Health District's sponsorship funds go directly to providing healthy services and not just to support the fundraiser.
- We will not sponsor specific sports teams, but we will consider sponsorship grants to a limited number of sports leagues, as long as sponsorship funds go toward scholarships and promote healthy living.
