SUBJECT: BOARD CANDIDACY AND COLLECTION OF FEES FOR CANDIDATE'S STATEMENTS

POLICY: Eden Township Healthcare District shall collect the estimated fee for publication of the "Candidate's Statement" at the time an individual files a candidate's statement.

The amount collected will be based on the prior election's costs for publication. The Board of Directors may, from time to time, approve that a portion of the cost of a candidate's statement will be supplemented by the District. The remainder of the cost of a candidate's statement is to be paid for by the candidate.
